

Industrial Cleaning

CPC Engineering is proud to announce it has signed a licensing agreement with Multi Solutions in Australia.

CPC is a leading mid-tier provider of engineering design, construction and maintenance services to the minerals resource sector. Multi Solutions serves marine and land based industries with innovative, efficient and environmentally friendly products and services for eco-cleaning all types of closed water systems.

The CPC and Multi Solutions partnership agreement will enable Environmental friendly cleaning services to be provided to their client base.

CPC's presence in Perth, Kalgoorlie, Kambalda, Port Hedland, Ravensthorpe and Esperance, will open up the ability to provide for all Multi Solutions products and systems to be included into the CPC suite of services.

Multi Solutions product range and systems for Eco-cleaning, will provide CPC's existing and new clients a wider service range, of services to reduce costs and risks in the cleaning of plant.

CPC ENGINEERING

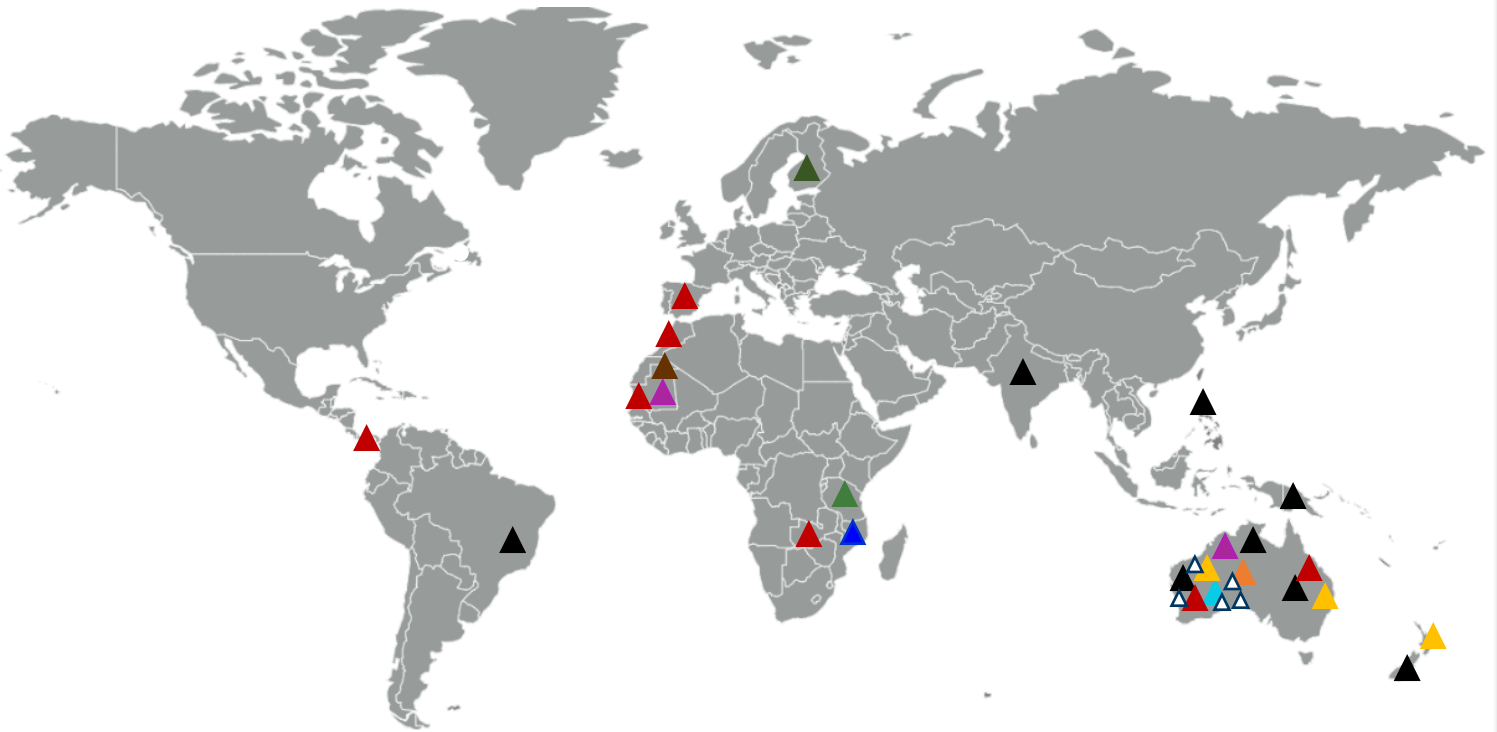

A reputation built over 45 years of expertise and integrity, delivering engineering, construction and maintenance services to the minerals resource sector.

CPC's success is driven by a commitment from our people to add value in everything we do.

CPC employs over 300 personnel in Australia and overseas.

CPC Engineering is committed to taking appropriate measures to protect the safety, health and welfare of its employees, customers, contractors, visitors and the community.
